# Why buy direct from the bakery

1

## One margin less in the chain

There is no national distributor and no local reseller adding a cut. The price you see is the producer's.

2

## Made to order

We do not sell you the leftovers of another run. Your order is baked for you, which is also what sets the best-before date.

3

## The recipe can move

Being the manufacturer, we can develop exclusive flavours, adjust formats and do private label without asking anyone.

4

## One conversation

Price, production, packaging and delivery are agreed with the same people. Nothing is lost between supplier and distributor.
