Why it works in a hotel

1

One product, four uses

The same individual wrapper serves welcome, turndown, minibar and event coffee breaks. No four suppliers and no four inventory codes.

2

It carries your brand, not ours

We print the wrapper with your logo and colours. The guest takes away a detail from your hotel, not another company advertising.

3

It survives housekeeping

The shelf life allows trolley and store-room handling without refrigeration, which is the real condition of an amenity.

4

Predictable purchasing

A fixed price per piece and scheduled deliveries: procurement plans the month without renegotiating each order.
